Re: CIVIL NO. 309:cv625

I am writing you cause I called when I got the letter saying a class action suit has been filed on the company (Usis aka HIRERIGHT SOLUTIONS, INC)

I feel the settlement would not be fair. And the reason is this company has done me wrong twice. And it took me over two years to get them to correct it.

The reason I say this is they put another man on my record and it almost cost me a trip to jail. Cause they put a criminal on my records. And we I approach them they made me send them prove of what I was saying. So I had to go through a lot of embarrassment and emotional stress to clear this up. I had to go as far as getting myself finger printed and sending to them and Florida to prove it was not me because he was an escapee.

When I approach usis at the time they said: well sir we don't check anything, all we do is when someone sends information in we just look and if there is a name that matches we put it on that file. Well that is so wrong. Cause the man they put on me was no where near me or what I looked at. They said well its took care of why are you so mad, well it took us two years to clear this matter up and I had to carry around my finger prints and paper in case I got stopped or something happen to prove I was not said person. And while applying for work I feel they judged me because this man was on my records.

So the settlement of 16 to 85 dollars is not enough. They cost me numerous chances for a great job. They need to make it up for the mistake and there careless hearts and saying: well we can't do anything about it just explain to them what happen. Why should I have to explain for the mistakes and the careless acts?

Cause here is my information:

James Carl Baker

DOB: [Redacted] 1961

Eyes: blue

Weight: 266

Sex: male

Hair color: brownish, gray but keep my head shaved.

Height: 6 feet 1 inches

So big difference from the man they put on my record. More less I AM NOT A CRIMINAL LIKE HE WAS. HE IS SERVING LIFE SENTENCE NOW IN VA PRISION AND I PRAY THEY DON'T EVER LET HIM OUT. CAUSE I DON'T WANT TO GO THROUGH THE NIGHTMARE THIS COMPANY HAS CAUSED ME EVERY AGAIN.

Thank you for listening to me and making a judgment in my fair of more than that small amount because I have to start my life again and that is not right for the error and they didn't care.

If you need more information please feel free to call me at [Redacted] or [Redacted] and if not in leave a message and call back number and return your call ASAP.

Thank you

James Carl Baker

-----  
The following report is obtained from a commercial database that contains information from public records of various courts and law enforcement agencies across the United States. These records are included in the report because the search criteria for matching personal identifiers such as name, date of birth, Social Security Number, etc., suggested that this record(s) matched the information you provided for the subject of the report. As such, these records might relate to the subject you inquired about, but not necessarily. You should use this report to broaden the scope of the background search of the subject to include the jurisdictions and/or the names contained in this report. Employment decisions should not be based solely upon information contained in this report. Positive ID requires fingerprint search.
